

To all your abilities, now add the ability to save.

To all of your abilities, now add the ability to save. The Achieving a Better Life Experience Act (ABLE) allows certain individuals with disabilities and their families to save for disability-related expenses on a tax-deferred basis – without limiting their ability to benefit from Supplemental Security Income (SSI), Medicaid and other federal programs.

Plan for today's expenses or tomorrow's needs. IABLE is a savings plan designed to help persons with disabilities and their support systems save for a better life experience while still maintaining eligibility for federal assistance.

Making saving easier helps make life better.

ABLE savings may grow and be withdrawn tax-free, provided that savings are used for qualified, disability-related expenses.

Plan highlights

Special tax advantages

- Earnings on your investments grow deferred from federal and state income taxes, maximizing your return.
- Withdrawals for qualified disability expenses are tax-free.¹
- Iowa taxpayers contributing to an IABLE account can deduct up to \$5,500 in contributions from their adjusted gross income for 2024.²

No impact on current benefits

- Balances of \$100,000 or less are excluded from the SSI resource limit; only the amount OVER \$100,000 is counted against your SSI resource limit, whether alone or in combination with other resources.
- If you exceed your SSI resource limit, your SSI benefits will be suspended until the ABLE account balance no longer exceeds your resource limit.³
- You'll continue to be eligible for Medicaid, regardless of your account balance.⁴

User-friendly

- Open an account online with as little as \$25.
- Access your account by phone or online 24/7.
- Easily access your funds via a debit card when enrolled in the checking option.
- SSI monthly benefit payments can be directly deposited into your account.
- Anyone can contribute to your account. With the easy-to-use Ugift® feature, friends and family can give meaningful gifts too!

High maximums

Contribute up to \$18,000 per year. If you are working, you may be eligible to exceed the \$18,000 contribution limit according to the ABLE to Work Act. Account balance limit is \$420,000. Limits are subject to change.

Low fees

The annualized investment costs on assets range from 0.30% to 0.34%, depending on which investment option(s) you select. The account is charged an account maintenance fee of \$8.50 per quarter if you are enrolled in electronic statement delivery. If you select paper statement delivery, the fee will be \$14.75 per quarter.

If you are invested in the checking option, an additional monthly service charge of \$2 will be applied to your account. This fee is waived if your account has an average daily balance over \$250 or if you select e-delivery statements with Fifth Third Bank.

¹Earnings on non-qualified withdrawals may be subject to federal income tax and a 10% federal penalty tax, as well as applicable state and local income taxes.

²If withdrawals are not qualified, the deductions must be added back to Iowa taxable income by the Account Owner. Adjusted annually for inflation.

³Please see the Plan Disclosure Booklet for complete details on SSI suspension and any requirements on when you use the funds to prevent suspension of benefits.

Your better life experience awaits.

Frequently Asked Questions

Do I have to prove eligibility?

No. However, during the enrollment process you will certify under penalties of perjury that you meet the eligibility requirements. See the Plan Disclosure Booklet for more information.

Can someone open an account on my behalf?

Yes. If you have the legal capacity to open an account, you can appoint someone to open and manage the account on your behalf. If an Eligible Individual does not have the legal capacity to manage an account, the federal government established a hierarchical list of authorized people, which are called Authorized Individuals, who may open an ABLE account on behalf of an Eligible Individual. The Authorized Individual must certify under penalties of perjury no other person with higher priority is willing or able to open the ABLE account. See the Plan Disclosure Booklet for more information.

Do I have to prove that withdrawals are for qualified disability expenses?

Not at the time of the withdrawal. Annually, IAble will report the total amount of your withdrawals to the IRS and the date and amount of each of your withdrawals to the Social Security Administration. You should maintain adequate records to support your qualified disability expenses.

Can I have more than one IAble account?

No. You're limited to one ABLE account. If you are interested in opening an IAble account, you are not able to open an ABLE account in another state. An exception is made for rollovers from another qualified ABLE program. In the case of a rollover to an ABLE account for the same Account Owner, the account from which the funds are withdrawn must be closed within 60 days of the withdrawal.

Can friends and family make contributions into my account?

Absolutely. Anyone can contribute directly to your IAble account. No matter who contributes, you, the Account Owner or Authorized Individual, retain control over the account. With the easy-to-use Ugift feature, anyone can contribute to your account.

How often can I change my investments?

Twice per calendar year for funds already in your account. You can change your investment options for any NEW contributions at any time.
